Goodyear Well, reborn →

While the 19th century **Goodyear Well** was a sturdy, durable shoe which could be handed down from father to son, it was inflexible and breaking into them would take time. However, **Birkenstock** - a 120-year-old footwear company - reinvented it by replacing the hard insole, cork and sole with a soft leather insole, a specially formulated foam and a flexible **Goodyear Well** leather sole, making it super comfortable.

- ₹12,495. Available at leading footwear retailers. For more information, visit www.birkenstock.in

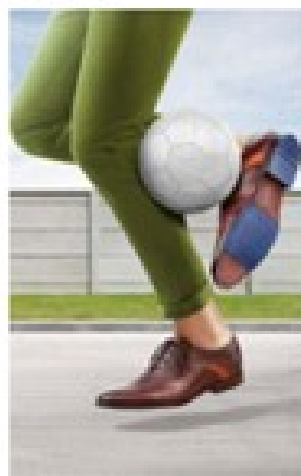

Mane Management ↑

OSIS+ - the styling range by **Schwarzkopf Professional** - is formulated to help you style your own hair so you can create looks that work for your mood. For instance, you can try a windswept look with **OSIS+ Flexion**.

While **OSIS+ G Force** offers a strong hold and sleek shine that works for a mohawk, **OSIS+ Upload**, a lightweight cream, gives your quiff instant volume.

- ₹975 for **OSIS+ Upload**, ₹725 for **OSIS+ G Force** and ₹900 for **OSIS+ Flexion**. Available at leading salons across India

Comfort meets style ↑

ERGOTECH - a footwear range by **RUCON** - uses ergonomic technology to offer a comfortable and snug, glove-like fit. With a super flexible insole and outsole, along with a removable foot cushioning support, made from memory retaining material, these shoes take to the shape of your feet. Better still, they look extremely stylish, so you can wear them to work and a night about town.

- ₹4,495 onwards. Available only at **RUCON** Stores

Scent of a millennial man →

Bois Bottled Tonic is a fresh new fragrance for men that captures the essence of masculinity and its evolution. While it opens on a blend of grapefruit, orange, lemon and apple, its mid notes reveal the spicy effervescence of ginger, clove, geranium and cinnamon, leaving you with a woody dried-herb yet sharp base of vetiver.

- ₹1,400 (100 ml). Available at **Perfume and Scent Department stores**
