This is Y →

It's a new masculine fragrance by Yves Saint Laurent, represents a generation of men who dare to follow their dreams, ask the right questions and create their own paths. It embodies a balance between freshness and strength. While the notes of bergamot, sage and ginger offer a sharp juicy freshness, at its base, soft notes of balsam fir, cedar wood and marine ambergris reveal an understated yet raw masculine power.

• ₹4,800 (for 100ml) and ₹4,800 (for 50ml). Available at *Parsons* and select departmental stores

Bag your laptop ↑

Check out the *Ducurum Chester* 14-inch slim-laptop bag by *Louis Vuitton*. It's intricately crafted from premium, dual-toned leather that only gets better with age. Its sleek and stylish silhouette makes way for several compartments and it comes with a detachable shoulder strap, a navy micro-fibre lining and shiny gold accents.
